

The Parent Portal

Parents of High School or Middle School Students

When: Any school day

From: 8:00 am – 4:00 p.m.

Where: Whitehall High School or Middle School

If you wish to gain access to important information on your child's grades, attendance and assignments, please come to the main office of the High School or Middle School to request your username and password for the Parent Portal.

The Parent Portal is a web-based resource that facilitates communication between the school and the home. You will be able to obtain vital information quickly and accurately simply by logging on to the Parent Portal from home, work, or any computer linked to the internet. You will have access to grades and future assignments enabling you to assist your child achieve his/her potential and to communicate with the school.

To gain access to the portal you need to come to the High School or Middle School, any school day, between 8:00am and 4:00 p.m. and show proof of identity. Your username and password will then be given to you.

We look forward to seeing you.
