

High School Parent Volunteer Form

Dear Parents:

WELCOME TO THE 2011-2012 SCHOOL YEAR! Once again your PTO will be coordinating the volunteer program for various school functions. The PTO provides a connection between parents, teachers, the administration and our children. The PTO sponsors a variety of programs, speakers, field trips, provides playground equipment and book fairs. In addition, we provide refreshments at open houses and other school sponsored events, and assist teachers, etc. The possibilities are numerous and could not be accomplished without the many parents in our school district who volunteer. We understand that everyone's time is valuable and we encourage both mothers & fathers to participate. We greatly appreciate the time parents donate.

Each school has its own volunteer coordinator, as well as its own roster of volunteers. Please fill out a separate form for each school. The following is a brief description of functions that volunteers will be needed for.
