

WHITEHALL HIGH SCHOOL

2021-2022 PROFILE

EDUCATIONAL PARK

In 1978, the Whitehall-Coplay School District completed a 143-acre campus with four schools located centrally in the district, and in September 2009, a fifth school opened to accommodate the growing school district population. Approximately 4,348 students report to Whitehall High School (9-12), Whitehall-Coplay Middle School (6-8), Zephyr Elementary (4-5), Steckel Elementary (2-3), and Gockley Elementary (K-1). In addition to these buildings, the campus also has an administration building, field house, outdoor resource laboratory, shipping and receiving building, garages, and two sports stadiums. The Whitehall Township Library is on the northeast corner of the campus.

HIGH SCHOOL

Whitehall High School offers full-year courses across all core content areas along with half-year courses for most electives. Students are encouraged to select courses that are best suited to their career pathways, aptitudes and interests and which will prepare them for college, business, trade schools, the armed forces, and employment. Course recommendations are made by teachers and are reviewed by the student's counselor. High school students can also participate in programs at the Lehigh Career and Technical Institute and are able to attend area colleges while continuing to attend classes and extracurricular activities at the sending school.
