“All of us do not have equal talent, but all of us should have an equal opportunity to develop our talent.” - John F. Kennedy

Dear Whitehall-Coplay School District Families:

It is my pleasure to officially introduce myself to the Whitehall-Coplay Community as the Supervisor of Educational Equity. I am beyond excited to join the Whitehall-Coplay School District community. As a Lehigh Valley resident since 2008 and had completed a few educational field experiences at the elementary schools and participated in community events, I know students are provided with excellent academic and extracurricular opportunities to excel beyond high school.

I have had the pleasure to serve students, families, and communities since 2008. Previously, I served as a preschool teacher at Little People School in Whitehall, a student support specialist at the Migrant Education Program, an ESOL, Spanish teacher, and Bilingual Program Coordinator at Lincoln Leadership Academy Charter School. Additionally, I was an ESOL Teacher in the Bethlehem Area School District, and a building administrator in the Allentown School District.

I am a native of Ecuador and I came to the United States after my high school graduation; having to learn English as a second language. My educational background in the US includes a Bachelor's of Education and a Master's degree from Cedar Crest College, followed by a Masters of Educational Leadership with a Principal Certification from Lehigh University. I am currently pursuing my Doctoral degree from Liberty University.

As a former ESOL student, a life-long learner, and an educator for 13 years, I understand the importance of utilizing an equity lens in all educational practices to support the individual needs of every student and impact the larger community. I am very excited to continue supporting and expanding the past and current equity and inclusion framework at the Whitehall-Coplay School District with a shared vision where climate and culture, curriculum, academic opportunities, community, and social-emotional needs of all of our students are at the forefront.

I am looking forward to this new opportunity to serve the Whitehall-Coplay School District Community!

Sincerely,

Tatiana Berrios
