Good Evening,

September 24, 2020

This is an important message from the Whitehall-Coplay School District concerning a school closure at Whitehall High School. Due to two confirmed positive cases and two presumed positive cases within one week, the district, in conjunction with guidance from the PA Department of Health will be closing the High School to students for five days beginning Friday, September 25, 2020 through Tuesday, September 29, 2020. The High School will reopen on Wednesday, September 30, 2020 and students will return to classes on Thursday, October 1, 2020. During the school closure the building, and specifically the classrooms and spaces used by the individuals will be cleaned in accordance with CDC guidelines. All High School students are instructed to log on to their teacher's google classroom sites Friday morning and work on the provided assignments. There will be no live instruction on Friday. If there are any changes to how instruction will be provided beyond Friday, you will receive additional information from the High School administration.

At this time we are awaiting additional guidance on extracurricular activities and will inform you of any changes once information is available.

This message will also be sent via an email and will be provided in spanish and arabic.

Thank you for your cooperation and understanding.

Sincerely,

WCSD - Administration
