Dear Whitehall School District Families,

April 16, 2021

As we plan for the 2021-2022 school year, it's our hope to provide in-person instruction, five days a week. With the uncertainty of the pandemic, the district wants to be as prepared as possible. Therefore, we are asking all families to complete the attached survey indicating the preference for your child's instructional model. Your choices are In-Person, Learn at Home, or the Whitehall-Coplay Virtual Learning Program.

Please note: Completion of the survey is only to gather preliminary data and is non-binding. You will be asked to complete a second survey in the summer. We are asking for your input in order to make decisions due to the fluidity of the situation in responding to the pandemic.

Please complete the survey for each child in the district. Submit the survey by Friday, April 23rd.

Thank you for your cooperation and participation as we prepare for the next school year.

Sincerely,
Whitehall-Coplay Administration
