Dear Parents and Guardians,

December 2, 2020

The purpose of this message is to inform you of the Whitehall-Coplay School District's inclement weather procedures. In the event of a cancellation due to inclement weather (snow day), all district buildings will be closed for in-person instruction and the district will move to remote learning instead of cancelling the instructional day. The school closure message will be released, just as it has been in the past, via our alert messaging system either in the evening or early morning, indicating that all school buildings will be closed. Staff and students should remain at home and log into their Google Classroom or Seesaw accounts by 9am and follow the directions provided by their teacher(s). There will be no "live" sessions on a remote learning snow day.

Whitehall Virtual students should follow their normal protocol and check their email for further direction. LCTI students are expected to log into their LCTI Schoology accounts for further direction from their instructors. All non-public transportation will be cancelled.

In the event of a 2 hour delay, you will be notified via the alert messaging system that the district will be running on a 2 hour delay. Students should report to their bus stop at the delayed time or log into their Google Classroom or Seesaw account at the delayed time according to their regularly scheduled cohort. A two hour delay will only be called on a Monday, Tuesday, Thursday, or Friday.

Whitehall Virtual students should follow their normal protocol and check their email for further direction. LCTI students are expected to report to school on the delayed schedule.

If you have any questions please contact your child's building principal.

Thank You,
District Administration
