

Good Evening Gockley Families,

I hope this email finds you safe and well. This is a reminder that report cards will be available to view on the parent portal tomorrow, April 20th, at 10:00am.

I would like to personally thank all of you for helping to make this past week a success in our virtual classrooms. Without your support, the task of teaching and learning online would be even more difficult. Please email your child's teacher or me if we can be of any help during this time.

We are currently working to solidify the grading and attendance procedures for this fourth marking period. You will receive another notification later this week explaining this new process. Thank you for your patience, and have a good evening.

Denise Saylor
