### **Getting Started (Grades K-1)**

### **Technical Support**

Contact Whitehall-Coplay's technical support if you have any questions or technical difficulties with your Chromebook. The technical support webpage is located on the Whitehall-Coplay School District website and is also linked on the startup page of the student Chromebook. Please contact your homeroom teacher via email or Seesaw if you have any technical problems that may prevent you from attending homeroom for daily attendance, so the teacher is aware of your student's attempt to connect.
