

Syllabus

Course Title: ELA

Grade: 2nd Grade

DESCRIPTION OF COURSE:

The English Language Arts course in Grade 2 provides students with essential instruction in the areas of reading, spelling, grammar, phonics and writing. The Reading Wonders program that is used will guide children across the literacy threshold to mastery of the Common Core State Standards to become successful readers. Reading Wonders is anchored in salient and consequential research about what works. We know that learning to read and teaching reading is work that requires the most effective materials because reading is foundational for all other learnings.
