Updating Student Information and Parent Portal.

Back to School Updates: Parents/or Guardians will receive a letter in the summer mail, that will remind them to go online and update their child's information. This will include all phone numbers, emergency contacts and numbers, email addresses, text numbers and permission for field trips & photos for the 2022-2023 school year. Please read the information carefully and update your child's information. Once the update is complete and correct, press the seal button.

Parent Portal: Parents are able to utilize the PowerSchool Parent Portal to access student information such grades and attendance. Single sign-on access allows parents to have one PowerSchool parent portal account for all of their children in one place using their individual Access ID and Access Password. Access ID's and Passwords will be listed on this letter.

This letter will be printed on a gold sheet of paper. Please keep this paper for future references.

Summer Updates

If you move out of the district please notify the school before June 3, so transfer papers may be prepared and given to parents for enrollment in your child's new school.

If you move within the Whitehall-Coplay School District you must provide a new proof of residency to the registrar at the Transportation building. Please contact Mrs. Michelle Khouri at 610-437-4780 x1014.

If you are changing bus stops for the 2022-23 school year, please notify the bus transportation office at 610-437-4780 of any bus changes by July 8, 2022.

Placement for the 2022-23 School Year

The administration and teachers are currently making plans for placement of all students into classes for next year. Much time and effort is used to arrive at "teachable" combinations of students according to levels of students, personalities, number of students, needs of students, etc. The placement is a heterogeneous group of children in each classroom. We will do our best when assigning your child.

Positive Thoughts from the Principal

Summer Learning: Educational Websites to Explore with Your Child

PBS KIDS Lab: Educational games, activities and mobile apps, for kids PreK to grade 3

National Geographic Kids: Great nature videos, activities, games, stories, and more!

Discovery Kids: Video, games, and activities to explore dinosaurs, sharks, space, pets, history and more!

NASA Kids Club: A place to play games and learn about NASA through interactive explorations.

My Wonderful World: A multimedia tour of our seven continents.

International Children's Digital Library: An amazing (and growing!) collection of international children's books available to read online in their original languages.

Big Universe: another online library of fiction and nonfiction books for kids 0-12. The site also offers adults and kids the chance to create and publish their own stories.
