**STUDENT HANDBOOK**

**PREFACE**

Click Here to Return to Table of Contents
The student/parent handbook serves as the **CODE OF CONDUCT** of Whitehall High School and is supported by the Board of Education of the Whitehall-Coplay School District. The handbook is designed to serve as a guide to students, to give information so that students may follow proper school procedures and to foster positive attitudes towards school and its activities.

We believe education is a cooperative enterprise between the home and school; therefore, we welcome ideas and recommendations.

Certainly not all procedures and rules of the high school are defined in the handbook. If you have questions, it is always better to ask before you act.

The Whitehall-Coplay School District, an equal opportunity employer, will not discriminate in employment, educational programs, or activities, based on race, gender, handicap, or because a person is a disabled veteran of the Vietnam Era. This policy or non-discrimination extends to all other legally protected classifications. Publications of this policy in this document is in accordance with State and Federal laws, including Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, and Title VI and VII of the Civil Rights Act of 1964. We further affirm that all curriculum offering and student enrollment practices will be handled without discrimination based on gender, race, religion, national origin or non-job related handicaps or disabilities.
ADMINISTRATION MESSAGE
Whitehall High School enjoys an excellent reputation in academics, athletics and the arts. To maintain this success, a safe and efficient environment needs to be provided for all students at the high school. The Whitehall Student Handbook/Planner ensures that rights and responsibilities are outlined within the text to allow students to learn and grow effectively. A student merely needs to follow these guidelines to attain success at Whitehall High School. While every rule and consequence is not addressed in the book, students are expected to act in a responsible manner and respect the rights of others. Please enjoy all of the many resources and opportunities Whitehall High School has to offer along your “Career Pathway” to the future.

MISSION STATEMENT
The mission of the Whitehall-Coplay School District is to serve the diverse community by providing educational opportunities designed to challenge students to strive for personal excellence and responsible citizenship.

BELIEF STATEMENT
● We believe all students have an ability to learn, are unique, and have positive contributions to make.
● We believe all students desire success and recognition.
● We believe all students need nurturing relationships to mature socially, intellectually, and emotionally in their individual style and at their own pace in a safe environment.
● We believe lifelong learning, which is a shared responsibility of all stakeholders, is essential for success in a global society.
● We believe excellence in programs, facilities, and technology is achievable and always worth the investment.
● We believe developing understanding, respect, and appreciation for others is essential in today’s diverse society.

FERPA
“The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:
School officials with a legitimate educational interest;
Other schools to which a student is transferring;
Appropriate parties in connection with financial aid to a student;
Organizations conducting certain studies for or on behalf of the school; Accrediting organizations;
To comply with a judicial order or lawfully issued subpoena;
Appropriate officials in cases of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to specific state law.
To obtain further information regarding FERPA, please refer to the school calendar.

OUR ALMA MATER
(Tune: “Drink To Me Only With Thine Eyes”)

The youth that from his mother’s home goes forth to Whitehall High.

Can ne’er be said to wildly roam, or fade in clouds well nigh:

So let us now the truth bestow and here our altars raise.

And our dear Alma Mater praise, our Alma Mater praise.

Her graduates are strong and firm, and build both hearth and home;

Her sons and daughters will each turn back to her altars roam.

And there will bend and bow and pray, until a shrine they raise.

And their dear Alma Mater praise, their Alma Mater praise.

William F. Heilman

### EMERGENCY CLOSING

**DELAY OF SCHOOL/EARLY DISMISSAL**

When it is necessary to close or delay school due to inclement weather, the WCSD messenger system will be used and announcements will be made on local radio stations as well as local TV and Channel 69 News. When school is dismissed early, students are expected to report to **ALL CLASSES** prior to the dismissal time.

Spring Semester

ACADEMIC INTEGRITY
Cheating undermines the spirit of fairness and the joy of achievement after diligent work. Cheating and plagiarism will be addressed by the teacher responsible for grading the material in question with support of the administrative team. A grade of zero may be assigned for the material as well as disciplinary action may be taken for the disruption to the educational process. Please be aware of the plagiarism information and policy located on the school’s website and distributed to all students in English classes.

COUNSELING
610-437-5081, ext. 1808 or 1809
sites.google.com/whitehallcoplay.org/whscounselingoffice/home
Twitter: @_WHScounseling

The Counseling department is an integral part of the educational program at the high school. Students are provided assistance in achieving their optimal development and in making appropriate decisions. Students will meet at least twice during the school year with their respective counselor, and are invited to schedule an appointment at any time.

In addition to counseling individual students, this department's responsibilities include the maintenance of cumulative records, registration and withdrawals, program planning, various testing programming, dissemination of college, educational, military, and vocational information, parent/guardian/teacher conferences, and contacts with outside agencies.

CHILD ABUSE
School employees who in the course of employment come into contact with children shall report or cause a report to be made when they have reasonable cause to suspect, on the basis of medical, professional, or other training and experience, that a child is a victim of child abuse. School employees who suspect child abuse shall immediately notify the
administrator and report the suspected child abuse to the designated state agency.

STUDENT RECORDS
Students who wish to review their school records may contact the counseling office for an appointment. Both permanent and cumulative records are housed in the counseling office. Parents/guardians must sign the record review sheet.

COURSE SELECTION, WITHDRAWN COURSES, AND RELATED INFORMATION
Refer to the Whitehall High School Course Catalog which is available on the high school webpage or by calling the Counseling Office at 610-437-5081.

STUDENTS NEW TO WHS
After enrollment, students new to the high school will be directed to the Counseling Office to develop a schedule and receive pertinent information. Counselors will ensure that new students have a student guide for the first day of school. New students will tour the building and stop by the administrative office to meet members of the administrative team. Parents of new students are encouraged to join the Parent Teacher Organization Plus (PTO Plus).

RESIDENCY
Verification of residency within the school district boundaries is required in order for students to become or remain enrolled in the school district.

The following items may serve as verification:
- Settlement papers from home purchase
- Rental agreement
- Current tax bill
- Moving permit
- Current bank statement
- Current pay stub

WITHDRAWAL FROM SCHOOL
Only a custodial parent/guardian may withdraw a student from school. Notification of intent to withdraw should be given at least one week prior to the final day of attendance. All obligations must be satisfied in order for the withdrawal to be approved.
SUMMER SCHOOL
Students are strongly encouraged to make up any failed course required for graduation in a summer remediation program. Courses will be offered through an online educational program titled “Educere.” Should a particular course not be offered at Whitehall High School or through Educere, arrangements must be made with the counseling department to attend another summer school program. All LCTI students who fail major coursework at Whitehall High School are encouraged to complete summer school remediation so as to graduate on time. Any exceptions to this policy must be approved by the principal.

STUDY HALL RULES AND STANDARDS
A study hall is a place to work and study, not a place to socialize. Study hall is an academic period that must be used as such. Students will be expected to maintain a quiet and respectful environment for completing academic tasks.

Study Hall Rules & Standards:
● Students are expected to follow classroom teacher’s electronic device policy.
● Students must sit in assigned seats.
● Signed planners are required for use of bathrooms, locker, nurse, and counseling.
● Students must have a signed pass by sending teacher in order to exit a study hall.
● Other aspects of the study hall will be at the discretion of the teacher assigned to the study hall.

ATTENDANCE PROCEDURES
Regular attendance is necessary for a student to be successful academically. Future employers and colleges may examine your high school attendance record when you apply for a job or college admission. The pattern of attendance you develop in high school may influence your behavior beyond high school. Therefore, it is in your best interest to have as few absences and tardies as possible.
EXCUSED ABSENCES
The School Code of Pennsylvania provides that everyone between the ages of six (6) and eighteen (18) must attend school. The only legal excuses for absence are personal illness, quarantine, death in the immediate family, religious holiday, or other exceptional reasons as deemed appropriate by the school administration. An excused absence is counted as an absence. All absences are unexcused/illegal unless a parent/guardian or doctor note is received in the attendance office.

An absentee excuse must be provided within three (3) school days of the absence. Excuses should include the student’s name and grade, date(s) of absence, reason for the absence, and a parent/guardian signature. Absentee excusal forms are available in the attendance office or online. Parents may also fax an excuse to 610-820-7520 or submit electronically using the link sent to the parent/guardian on the day of the absence. If a written note is not received within 3 days, the absence will be marked unexcused/illegal.

COVID-19: Any absences accrued due to mandatory quarantine orders will be considered Excused/Lawful absences as dictated by Board Policy #204. Be advised, students and parents are required to monitor signs and symptoms of illness on a daily basis. Please refer to the COVID Quick Reference Student Screener for additional guidance on daily student screening. Due to the evolving nature of state regulations and guidelines, please refer to the current PA Department of Education for additional guidance. Please contact the High School Administration immediately if your child has been ordered to quarantine.

Parents/Guardians are expected to call the high school at 610-437-5081, ext. 1806 between 7:30 a.m. - 9:30 a.m. if their child will be absent. If there is no answer, leave a voice message. The phone call must be followed by a written note upon the student’s return to school to identify the absence as excused.

An excused absence permits the student to make up missed assignments. It is the student's responsibility to initiate the make-up work after returning to school. If a student is or will be absent for more than three consecutive days, the counseling office should be contacted for missed work at 610-437-5081 ext. 1808.

“LEARNING FROM HOME” ATTENDANCE PROCEDURES

Students are only considered as “Learning from Home” based on communication from a parent and/or guardian prior to the start of the school year. A “Present” designation will apply for students Learning From Home if the following conditions are met:

● The student is logged into the class Meet/Zoom session during the designated class time and can be clearly identified.

● For identification purposes, it is required that students temporarily use the video function to show their face at the start of the lesson, during attendance roll call. (Students are not required to leave the video on thereafter, but must be available through audio for questioning and class discussion purposes.)

The attendance expectations and policies that follow apply to both students who are Learning from Home and learning traditionally.

ASYNCHRONOUS LEARNING DAYS AND ATTENDANCE:

Class meetings through Google Meet / Zoom will be held at designated class times and daily assignments will be posted in Google Classroom. A “Present” designation will apply for all students if the following conditions are met.

● The student is logged into the class Meet/Zoom session during the designated class time and can be clearly identified.

● For identification purposes, it is required that students temporarily use the video function to show their face at the start of the lesson, during attendance roll call. (Students are not required to leave the video on thereafter, but must be available through audio for questioning and class discussion purposes.)

● The student completes the assignment for the day. Assignment due dates may be extended until the end of the week and must be posted on Google Classroom.

UNEXCUSED OR ILLEGAL ABSENCES

The unexcused absence is used to designate an absence of a student who is 18 years or older. The illegal absence is used to designate an absence of a student under 18 years of age. Such reasons as visiting relatives, oversleeping, babysitting, missing the bus, working, shopping, etc. are not acceptable and will be treated as unexcused or illegal absences.

Click Here to Return to Table of Contents
CONSEQUENCES FOR UNEXCUSED OR ILLEGAL ABSENCES

1. All unexcused/illegal absences will result in an inability to make-up any missed graded assignments, quizzes, or tests. **A grade of zero (0) will be given.**

2. The third (3) day of unexcused/illegal absence will result in a first offense truancy letter (warning). The letter will be sent to the parent/guardian of the student with three or more unexcused/illegal absences.

3. Continued truancy, beyond three (3) unexcused/illegal absences, will result in a second warning letter and a possible loss of parking privileges. Contact will be made with both the student and parent to schedule a Truancy Elimination Plan meeting.

4. Upon the sixth (6) day of an unexcused/illegal absence; in accordance with Act 24 of the Pennsylvania Compulsory School Attendance Law; a referral to the magistrate may be made if the student is under the age of 18.

5. Act 24 may also remove the truant student from his/her motor vehicle driving privileges for ninety (90) days on the first offense and for six (6) months for each subsequent offense. Unlicensed truant students will be prohibited from applying for a learner’s permit for ninety (90) days on the first offense and for six (6) months for all succeeding offenses after their 16th birthday.

6. **After eight (8) days of absence in a semester, a medical excuse will be required for any subsequent absences.** Parents/Guardians will receive notification by mail that such a medical excuse is required. At that point any excuse not signed by a medical professional will be recorded as unexcused or illegal.

7. Students, 18 years or older, who are absent for ten (10) or more consecutive unexcused days will be dropped from the active membership roles by the high school administration.

8. Students, 18 years or older, who have twenty (20) or more unexcused absences will be dropped from the active membership roles by the high school administration.

9. All unexcused/illegal absences or truancies automatically deny the student the right to make up work and assignments missed during the period of unexcused absences.

**HOW ABSENCE AFFECTS ELIGIBILITY**

Click Here to Return to Table of Contents
A student who has been absent from school during a semester for a total of twenty (20) or more school days, shall not be eligible to participate in an Inter-School Practice, Scrimmage, or Contest until the student has been in attendance for a total of forty-five (45) school days following the student’s twentieth (20\textsuperscript{th}) day of absence, except that where there is an excused absence due to a requirement that the student serve as the primary caregiver to a member of the student’s immediate family or a near relative or death in that student’s immediate family or a near relative both as defined in Section 1154 of the Public School Code of 1949, as amended, court subpoena, quarantine, or to attend a religious activity/function which the church requires its members to attend, or an excused absence of five (5) or more school days due to the same confining illness or injury, such excused absence may be waived from the application of this rule by the District Committee. If the establishment of any requirement necessary for the District Committee to exercise its discretion to grant a waiver of five (5) or more excused absences results from illegal conduct on the part of the student, other than absences during which the student, without there having been a criminal conviction or an adjudication or delinquency, is admitted to a substance abuse treatment facility, the District Committee shall not grant the waiver. Attendance at summer school does not count toward the forty-five (45) school days required. Absence from school for an entire semester, or for several semesters, shall disqualify a student for the same period as stated in this Section.

**TARDINESS**

Tardiness can hinder your success. Ample time is permitted between classes. The rules concerning tardiness are as follows:

1. **If you arrive to school or the first period of the day after 8:00 a.m., you must report to the attendance office and receive a late pass.** Failure to acquire a late pass will result in further disciplinary action. Students arriving late from doctor appointments must bring a note from the doctor’s office or parent/guardian.

2. **After eight (8) excused late arrivals in a semester, a parental note will no longer be sufficient. A medical excuse will be required.** Parents/Guardians will receive notification by mail that such a medical excuse is required. At that point any excuse not signed by a medical professional will be recorded as unexcused or illegal.
3. Any student who arrives after 11:00 a.m. will be marked as a half-day absence.
4. Any student who attends LCTI and arrives late to school must supply their own transportation to LCTI or remain at WHS. **Students may not drive to LCTI.**
5. To be eligible for after school activities, students must report to school by 11:00 a.m.
6. **Unexcused** tardiness to school includes, but is not limited to, the following: car trouble, missed bus, alarm clock didn’t work, oversleeping.
7. A written excuse from a parent/guardian regarding tardiness must be presented upon arrival to school on the day of the tardy. **Any assignments or assessments given during unexcused class time may result in a zero (0).**

**TARDINESS TO SCHOOL CONSEQUENCES**

**Beyond 8:00 a.m. {Per Quarter}**

- **1st and 2nd offense** Warning
- **3rd offense** One Detention
- **4th offense** Two Detentions
- **5th offense** Office referral with Two Detentions
- **6th offense & subsequent** In-school suspension, parent notification, and loss of parking privileges for the semester.

**TARDINESS TO CLASS CONSEQUENCES**

**{Per Quarter, Per Class}**

- **1st and 2nd offense** Warning issued by teacher

Students signing-in late to school or signing-out early from school for a medical appointment MUST have a medical note upon their return to school in order for their absence to be marked as medically excused.

**SCHOOL WIDE POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS (SWPBIS)**

**What is SWPBIS?** SWPBIS is a framework with a focus on prevention and intervention to assist in: increasing compliant and positive behaviors, increasing safety and comfort, and increasing positive school climate and culture. The overall goal of SWPBIS is to increase academic performance. The framework seeks to remove the assumption that all students understand how to behave properly and instead, emphasize teaching, modeling and reinforcing positive behavior.

**Acknowledgement System:** Our SWPBIS framework recognizes students who are Prepared, Respectful, Involved, Dependable, and Empathetic. Students who demonstrate positive behavior may be given a PRIDE Card by a staff member. Students may submit PRIDE cards to the main office to have their names entered into the PRIDE Club Book and receive a PRIDE Pen. Members of the PRIDE Club Book will be eligible to have an automated call / email sent to their parents/guardians, and their PRIDE card posted in a display case. At the end of each month, students will randomly be selected to attend a reward breakfast with family members.

**Student PRIDE Committee:** A student PRIDE Committee will be formed,
consisting of 3 - 4 students from each grade level. These students have been selected based on teacher, counseling, and administrative recommendations. The PRIDE Committee will meet on a monthly basis to discuss discipline data, rewards, and to plan for upcoming events/projects.

**DISCIPLINE CODE**

Students will adhere to the discipline code as published in the [School District Policy](#) available online. Consequences for disciplinary referrals are determined on an individual basis, at the discretion of administration, in compliance with the school district policy and are progressive in nature.

**VIOLATION OF SCHOOL/DISTRICT POLICY MAY RESULT IN THE FOLLOWING:**

**Minor Infractions (Teacher Discretion)**
- Warning / Documentation
- Detention(s)
- Parent Notification
- Multiple offenses may result in major infraction

**Major Infractions (Administrative Discretion)**

**WHITEHALL-COPLAY SCHOOL DISTRICT**

**BYOD (Bring Your Own Personal Electronic Device) AND WIRELESS NETWORK CONNECTIVITY POLICY ADDENDUM**

(Board Approved on April 8, 2013)

The Whitehall-Coplay School District Board of Education has adopted this addendum to Policy 815 Acceptable Use of the Electronic Communications and Systems and Network. The intent is to establish reasonable rules and regulations associated with authorizing the use of the district wireless network and the possession and use of personally owned electronic devices (BYOD) on school property. The Board permits the use of the wireless network and BYOD by staff, students, and guests for educational and operational purposes. The Board further permits non-disruptive use of the wireless network and BYOD for legal purposes during non-instructional and non operational times in locations designated by the administration. **BYOD shall never be used in such a way or at a time that disrupts the educational or work environment, or distracts, harasses, or threatens others.**
The Whitehall-Coplay School District takes reasonable measures to ensure that students and other users of the wireless network do not access material and content that is potentially harmful to minors. As required by the Federal Communications Commission’s Children’s Internet Protection Act (CIPA), the Whitehall-Coplay School District utilizes a technology protection measure (“filter”) that blocks access to material that is potentially harmful to minors. The filtering technology blocks Internet content and visual depictions including, but not limited to: pornography, child pornography, sexual acts or conduct, and other obscene material that may be deemed harmful to minors. All students participating in BYOD must be connected to the districts network at all times. Employees when participating in BYOD (personal device being used for educational purposes) must be connected to the district network. Unauthorized circumvention of Internet filtering measures including but not limited to the use of 3G and 4G private networks, is strictly prohibited.

All users of BYOD on school district property are bound by all terms of the Whitehall-Coplay School District Policy 815 Acceptable Use of the Electronic Communications and Systems and Network and all of its sub-sections, addendums and attachments. The Whitehall-Coplay School District prohibits: (a) district network access to or transmission of inappropriate material via the Internet, electronic mail, or other forms of direct electronic communications; (b) unauthorized network access and other unlawful online activity; (c) unauthorized online disclosure, use, or dissemination of personal information. The district will provide Internet safety education to students.

Use of BYOD for photography and/or video or audio recording may only occur for the purpose of participating in an approved and supervised educational activity authorized by a building principal, a district administrator, or a professional staff member. Electronic devices shall never be used for purposes of recording video, images, or audio in locker rooms, in bathrooms, in health suites, or in any other area or situation where individual privacy may be violated.

The Whitehall-Coplay School District shall not be liable for the loss, theft, damage, or misuse of any non-district-owned electronic device on school district property, in school district owned or contracted vehicles, while attending school-sponsored activities, or attending
non-school-sponsored events on school district property. The district will provide no technical support, troubleshooting, or repair for non-district-owned electronic devices. Neither will the district assume responsibility for any incidental costs incurred by individuals as a result of the use of such electronic devices.

Any breach of **Policy 815 Acceptable Use of the Electronic Communications and Systems and Network** and all of its sub-sections, addendums and attachments, will result in disciplinary action and/or legal prosecution per school policy and/or governing laws and regulations. **By accessing the district wireless network, users agree to be legally bound by all terms and conditions as set forth in Policy 815.**

Failure to use your personal electronic device as outlined in accordance with the **WCSD Acceptable Use Policy and BYOD and Wireless Network Connectivity Policy Addendum** will be deemed as a severe violation of school policy. All violations will result in a referral to administration and will be handled accordingly depending on the infraction.

**ADDITIONAL WHS BYOD/CELL PHONE POLICY INFORMATION**

Students are permitted to have cell phones and other personal electronic devices in the high school building under the following conditions:

- Personal devices must remain on mute/vibrate during school hours of 8:00 a.m. and 2:45 p.m.
- **Under no circumstances, may students use cell phones to make or receive phone calls or engage in video conferencing (i.e. FaceTime) during the school hours or while in detention.** If phone calls must be made, a phone is available in the main office.
- Personal devices may be used for educational purposes in the classroom with specific permission and under the direct supervision of the classroom teacher.
- Students are permitted to use headphones and mobile device capabilities/applications in the following designated areas:
  - **Hallways, bathrooms, and lunches** before, after, and during school hours.
  - **Classrooms and study halls at the discretion of the classroom teacher for educational purposes.**
Headphones may be used provided that volume does not disturb or distract others. **Headphones are not to be used in the classroom unless given specific permission by the classroom teacher.**

When addressed by an adult anywhere on campus students will turn off volume and remove headphones/earbuds.

Failure to use a personal electronic device as outlined above will be deemed as insubordination and will result in progressive disciplinary action. Progressive disciplinary action may include, but is not limited to, warning, parent/guardian contact, detention, office referral, and/or suspension. If your electronic device is not used in accordance with school and/or district policy, administration is authorized to take possession of the device. Failure to turn over the device when requested by an administrator will result in suspension.

Students are completely responsible for the use, maintenance, and safety of their own personal electronic devices. Student requests to charge their devices will not be honored. Students should use proper precautions to safeguard their personal property at all times. The school cannot be responsible for stolen electronic devices and will not investigate such incidences. An incident report should be completed with the School Resource Officer.

Any confiscated or lost electronic devices not retrieved by the last student day of school may be donated to a non-profit organization or discarded.

**GOOGLE DRIVE AND INSTRUCTIONAL TECHNOLOGY TOOLS**

Google accounts are assigned to all students and may be utilized for online collaboration on various educational assignments/projects. Student Google accounts will include Google drive capabilities such as email, docs, slides, sheets, forms, etc. which may be accessed from home or school. Classroom teachers may assign additional online student accounts for educational purposes consistent with the WCSD Acceptable Use Policy. Please contact the High School Main Office if you have questions/concerns regarding the issuance of educational accounts.

**LOST AND FOUND**

31
Students who have lost anything of value are to report such losses to the main office as soon as possible. Students should take great caution in bringing valuable items and are encouraged not to carry large sums of money while in school. **The school cannot be responsible for stolen items and will not investigate stolen property.**

**LOCKERS**

Lockers and locks are the property of the school. Students may not share lockers. Students will be issued a combination lock for their locker at the beginning of the school year. Students are required to return their assigned lock to their homeroom teacher at the end of the year. **If the student loses, damages, or fails to return their assigned lock, a replacement cost of $6.50 will be charged to the student.** A student’s locker may be opened and searched by an administrator any time there is reasonable suspicion to believe that the locker’s contents pose a danger to the health, safety and welfare of other students and staff or when there is a reasonable suspicion that its contents may be disruptive to the educational process. Students should keep lockers closed, locked, and combinations secured. Locker repair requests can be made at the main office. All lockers are emptied and thoroughly cleaned during the summer vacation. It is the student’s responsibility to take home all articles of value. Those articles collected by the custodial staff during the summer are given to non-profit organizations or discarded. Students may not be assigned the same lockers the following school year. **Be advised, in an effort to maintain a drug free and safe environment, persons and lockers may be randomly searched.**

**SEARCH OF STUDENT PROPERTY**

The principal and/or designees may conduct a search if he/she has reasonable grounds for suspecting that the intended search will reveal evidence that the student has violated or is violating school policy, the law, or is considered a risk to overall school safety. The scope of the search shall be reasonably related to the objectives of the search and not excessively intrusive in the light of the age and sex of the student and the nature of the suspected infraction. Searches conducted by administration may include but are not limited to utilization of certified drug dogs, metal detection units, or any device used to protect the health, safety, and welfare of the school population.
Any student who leaves the high school building without permission and returns is subject to a search by school administration.

**DRESS CODE**

Dress is a means of personal expression. It is, however, the student’s responsibility to dress in a manner that reflects pride and respect for the school as a place of learning. The student’s manner of dress or appearance must not disrupt the educational process. A student’s clothing should be clean and in accord with health and safety regulations of the Commonwealth of Pennsylvania.

Inappropriate clothing includes:

- Clothing such as shorts, pants or skirts worn lower than the hip-line and/or expose undergarments.
- Excessively tight shorts and skirts.
- Skirts, shorts, and skorts that are shorter than mid-thigh and that don’t reach the fingertips with arms fully extended at sides.

- Clothing designed to be sleepwear as well as pillows and blankets.
- Tops that expose the midriff or back, have plunging necklines, or are designed to be undergarments.
- Tank tops or halter tops.
- Chains, such as dog collars or wallet attachments, and spiked jewelry.
- Items that are indecent, offensive, obscene, or contain a reference to gangs, sex, drugs, tobacco, alcohol and/or weapons.
- Outerwear such as coats, knit hats, gloves, ear-warmers, and sunglasses. These items should be placed in a locker and not worn by students during regular school hours.
- Hooded sweatshirts are permitted to be worn; however, wearing a hood on your head is not acceptable in the building during regular school hours.
- Any item of clothing, jewelry, or ornamentation that creates a distraction to the educational process.
- Baseball-style caps and/or bandanas are not to be worn at anytime in the building during regular school hours.

Students who come to school wearing clothes that are determined to be offensive and/or in conflict with the guidelines set forth will be given an
opportunity to change, call home for replacement clothing, or report to ISS for the remainder of the school day.

FACE COVERINGS

Face coverings must be worn in a manner that suits the recommendations set forth in the Pennsylvania Universal Face Covering Order and the CDC cloth face covering guidelines:

- The mouth and nose are fully covered
- The face covering fits snugly against the sides of the face so there are no gaps
- The student should not have any difficulty breathing while wearing the face covering
- The face covering can be tied or otherwise secured to prevent slipping.

Consequences for failure to comply with face covering guidelines:

1. 1st Offense: Removal of student from learning environment, warning to student, phone call to parents, and documentation of infraction.
2. 2nd Offense: Students will be sent home, the insubordination with the accompanying consequences will be documented, and parents will be notified that, at the next infraction, students will be required to attend school via the WCSD At Home Learning option.
3. 3rd Offense: Students will be sent home and begin to attend school via the WCSD At Home Learning option for the remainder of the quarter.
4. 4th Offense: Students will be sent home and begin to attend school via the WCSD At Home Learning option for the remainder of the semester.

PARKING LOT

The following rules have been developed to ensure a safe environment for all who park their vehicles on WHS property. The local police monitor the school district property. Citations for speeding, failure to stop at stop signs, etc. will be issued.

1. Any student who wishes to park on the high school lot MUST have a valid license (No permits) and their vehicle must be registered in the main office. Parking tags will be issued for a cost of $10.00 and students must fill out a student parking form.
2. Upon registration, the student will then receive a numbered student parking permit which **MUST** be displayed from the rearview mirror at all times while parking on school property.

3. Parking is available on a first come basis. There will be no assigned spaces. **There are a limited number of spaces available in the front high school parking lot. Students must park in yellow spaces only.**

4. The speed limit on the parking lot is 5 m.p.h.

5. Parking tags are not transferable.

6. **Upon the student’s sixth (6) late to school, third (3) unexcused/illegal absence, or persistent violations of the discipline code, the students may have their parking privileges revoked for the balance of the semester.** In order to gain their parking privilege back, students will need to re-register their vehicle for the next semester and pay an additional $10.00.

7. Students who receive a Loss of Privilege letter may also have their parking privilege revoked for the remainder of the school year.

8. Administrators may authorize a search of vehicles parked on the campus of the Whitehall-Coplay School District anytime there is a reasonable suspicion that the vehicle or contents therein may pose a danger to the health, safety, and welfare of other students or staff or when there is reasonable suspicion that its contents may be disruptive to the educational process.

9. **Lost parking tags can be reissued for an additional cost of $10.00.**

Any student failing to abide by these rules will face disciplinary action and suspension of driving privileges at a length of time determined by the administration.

- **The school district is not responsible for damage to the vehicles.**
- **The administration reserves the right to have any illegally parked cars towed at the owner’s expense.**
- **The laws of the Pennsylvania Vehicle Code, known as Title 75, will be enforced on Whitehall-Coplay School District property.**

**DANCES**

A club or organization that wishes to sponsor a dance must seek the approval of the administrator who will serve as one of the chaperones of the dance before submitting a **Use of Facility Request Form.** Clubs are
responsible for all expenses incurred for DJ, decorations, tickets, police and security.

1. The advisor of the student organization sponsoring the dance is the person in charge. Rules specific to each dance may be established and disseminated by the advisor. This includes proper dress, i.e. formal or semi-formal. If individuals cannot abide by particular guidelines of the dance, they should not come to the dance and will be turned away at the door.

2. Any dance that permits outside guests MUST submit the Guest Approval Form prior to the function. The advisor sponsoring the dance will determine the date the form is to be returned.

3. **Dances begin at 7:00 p.m. and end at 10:00 p.m.** No student will be admitted after 8:30 p.m. unless prior arrangements have been made with the administrator chaperoning the dance. Students should arrange to be picked up **no later than 10:00 p.m.** and depart the campus.

4. Anyone who leaves the dance will not be readmitted.

5. All the normal rules of behavior and decorum are in effect. Any arguing, fighting or ungentlemanly or unladylike conduct may result in the offending parties being removed from the dance. Disciplinary action or referral to the Whitehall Police Department may also follow.

6. Searches for alcohol, drugs or weapons may be authorized by an administrator any time there is a reasonable suspicion that an individual may have something in his/her possession that is a threat to the health, safety or welfare of the individual or others at the dance. This includes vehicles on the parking lot. Attending while under the influence will result in disciplinary action and police referral.

7. When advertising for the dance, the organization will announce whether this is a “closed” or “open” dance. Closed dances are for WHS students only. Open dances are dances which students from other schools may attend. Guest passes are available when purchasing tickets. Students with questionable disciplinary records at other schools may not attend. Whitehall High School host students are responsible for the behavior of their guests.

8. Guests may not be older than 20 years of age. No middle school students may attend a Whitehall High School dance.
9. Organizations that wish to sponsor a dance must have at least six teachers, a WTPD police officer, and one administrator willing to serve as chaperones; otherwise, the dance may be cancelled.

10. Dances, like any other weekend extra-curricular activity requires students to be present in class on the **Friday** preceding the dance.

11. **In order to participate in Junior/Senior Prom, all obligations must be satisfied prior to purchasing tickets.**

Examples of behaviors that are considered bullying and that make an individual feel uncomfortable in their environment:

- **Verbal** – written or spoken put-down, threats, gossip, comments, or name-calling.
- **Physical** – unwanted touching, pushing, shoving, tripping, pinching, tickling, stalking, spitting, shunning, or exclusion.
- **Sexual** – verbal or physical unwelcomed and unwanted conduct of a sexual or sexist nature, sexual propositions or threats, lewd comments or jokes, sexual gestures, obscene noises, leering, inappropriate or unwanted touching, unwanted use or display or pornographic materials.
- **Racial/Ethnic/Religious** – any harassment referring to a person’s race, national origin, or religion.
- **Cyber Bullying** – Verbal or psychological bullying that occurs on the Internet through e-mail, instant messaging, or personal profile websites such as Facebook, Twitter, Snapchat or Instagram; and via cell phone by text messages or digital pictures.

**Steps an individual should take if bullied:**
1. Tell the person that his/her behavior (be specific) is bothering you and tell that individual to “stop.”
2. Walk away.
3. Write down the following:
   a. What happened (who said/did what)?
   b. When and where it occurred.
   c. Who else saw it?
   d. How it made you feel.
   e. What you did or said.
   f. Who you told about this.
4. Talk to a teacher, counselor, and/or administrator.

In order to obtain administrative assistance in dealing with the matter, administration must be informed directly.

HAZING

Hazing is defined as any activity that recklessly or intentionally endangers the mental health, physical health or safety of a student for the purpose of initiation or membership in or affiliation with any organization recognized by the Board of Education.

The Board directs that no administrator, coach, sponsor, volunteer or district employee shall permit, condone or tolerate any form of hazing.

The Board encourages students who have been subject to bullying and/or hazing to report such incidents promptly to the building principal. The principal will conduct a thorough and impartial investigation as per board guidelines (see board policy number 247 and 249).

NOTE: If any attempt during the course of the harassment investigation to resolve or have the conflict cease is unsuccessful, the administration reserves the right at any time to refer the incident to the Whitehall Police Department. It will then be at the discretion of the police department whether harassment charges are filed in reference to Pennsylvania Crimes Code 2709 Harassment.

NON-EMERGENCY ANONYMOUS STUDENT TIPLINE

The anonymous tip line is for anyone who believes a situation warrants administrative or counseling intervention. Call the voicemail number – 610-871-5554 – and leave a message. Please note, 911 should be
contacted immediately for any situation deemed urgent or life-threatening.

**SAFE2SAY SOMETHING**

www.safe2saypa.org
1-844-723-2729 (1-844-SAF2SAY)

Safe2Say Something is a youth violence prevention program run by the Pennsylvania Office of the Attorney General. The program teaches youth and adults how to recognize the warning signs and signals, especially within social media, from individuals who may be a threat to themselves or others and to “say something” BEFORE it is too late. With Safe2Say Something, it’s easy and confidential to report safety concerns to help prevent violence and tragedies.

S2SS works through 5 easy steps:
1. A tip is submitted via mobile app, [website](http://www.safe2saypa.org), or by calling the PA based 24/7 Crisis Center.
2. The tip is then triaged by the Crisis Center to gather enough information to act on it.
3. The tip is delivered to the impacted school and, as needed, local law enforcement via 911 County Dispatch.
4. The school and, as needed, local law enforcement assess and intervene with the at-risk individual.
5. The school then closes out the tip and reports actions taken as a record for their school.

STUDENT ASSISTANCE PROGRAM
The Student Assistance Program (SAP) is designed to assist students who are experiencing academic, social, and emotional difficulties in their lives. The goal of SAP is to help identify those problems that are interfering with a student’s overall well-being and to offer resources and support both in and out of school. The referral process is confidential and any staff member, student, or parent/guardian can complete a simple online referral form found on the high school website or by contacting anyone in the counseling department. Referral forms are available online and can be obtained through the district website. The SAP team is here to help students, not to punish them.

USE OF CAMERA SURVEILLANCE
To assist in ensuring the safety of our students, staff and visitors, camera surveillance equipment will be used for security purposes. This equipment may or may not be monitored at any time. Surveillance cameras will generally be utilized only in public areas where there is no “reasonable expectation of privacy.” Public areas may include school buses; building entrances; hallways; parking lots; front offices where students, employees, and parents come and go; gymnasiums during public activities; cafeterias; and supply rooms. However, it is not possible for surveillance cameras to cover all public areas of District buildings or all District activities. District surveillance cameras will not be installed in “private” areas such as restrooms, locker rooms, changing areas, private offices (unless consent by the office owner is given), or classrooms.

HEALTH SERVICES
610-437-5081, ext. 1807
Only first aid, defined as the immediate temporary care given in case of accident or sudden illness, will be given in school. Parents are requested to make arrangements for necessary transportation when a student needs to go home, to the family doctor or to the hospital. In case of serious
accident, the nurse will immediately summon a physician (the family physician, if possible) or an ambulance, as needed.

All students becoming ill or injured are not to contact a parent for pick up prior to seeing the school nurse. The nurse will notify the parent in the event the child is to be sent home or is in need of more medical attention. If the student contacts a parent for pick up prior to seeing the school nurse and the illness/injury does not warrant going home per district guidelines, the absence will be unexcused.

MEDICATIONS
If a student must take medication during the school day, a parent must deliver the medication with a completed Medication Dispensing Form to the school nurse, who will safely store the medication and administer the dosage as prescribed. Students may not carry or transport any medication, prescription or over the counter. A student may not possess medication in school as per the WCSD Board Policy. Medication must be stored in the nurse’s office.

The school nurse maintains health records. Parents/guardians are encouraged to share any information with the school nurse that may be helpful in updating the current health records.

**Policy on Sportsmanship:**

The ideals of good sportsmanship, ethical behavior, and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines. In perception and practice, good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. Further, awareness is expected of the impact of an individual’s influence on the behavior of others. Good sportsmanship is viewed by the EPC as a concrete measure of the understanding and commitment to
fail play, ethical behavior, and integrity. The EPC and its member schools reserve the right to eject any spectators whose conduct is detrimental to good sportsmanship. Misbehavior at sporting events may lead to prosecution or school disciplinary actions.
